Full-Spectrum Topical Hemp Salve

We are excited to share and introduce to you a variety of ESSENTIAL OILS! These oils are chosen from a very selective source that seeks the highest quality distillers from around the world. They provide steam distilled oils, with modest heat and low pressure, or cold pressed oils. They are without chemicals, fertilizers, pesticides, or herbicides. The oils are from the first distillings only.

We want to introduce you to some high potency blends that are put together.
